

GROMATEX

CONTAINING ABRASIVE FLUIDS ON YOUR QUARRY

Cyclones – lined with the highest quality abrasion resistant rubber and available in three sizes with parts available separately

Straights – with a full range of accessories

Rubber Lined Bends
– protect an area that gets high wear

Hosing – available in any length and a variety of widths

Vertical Slurry Pump – this heavy duty range features a cantilever shaft design that eliminates any bearings seals in the fluid end

Centrifugal Slurry Pumps
– proven, heavy duty pumps in a wide range of sizes
